Resolution

Relative to the Fiftieth Anniversary of the Cramer Chemical Company

WHEREAS, The Cramer Chemical Company, for the past fifty years, has been the leader in the field of prevention and care of injuries to athletes; and

WHEREAS, Frank and Chuck Cramer have been tremendous assets to the National Athletic Trainers Association; and

WHEREAS, Without the help of the Cramer Chemical Company, its founders, and its present staff, the Athletic Trainer would not have been able to make the progress and attain the heights which are now enjoyed; Now, therefore, be it

Resolved by the Pacific Coast Athletic Trainers Association,
That the members are pleased to congratulate the Cramer Chemical Company for its fifty years of service in the prevention and care of injuries to athletes; and be it further "Resolved," That the members of the P.C.A.T.A. appreciate the efforts this Company has done on behalf of the Athletic Trainer; and be it further

Resolved, That the District Secretary transmit a suitably prepared copy of this resolution to the Cramer Chemical Company.

PACIFIC COAST ATHLETIC TRAINERS ASSOCIATION

Dear PCATA Member

The cover of our newsletter is a scaled down version of a proclamation that District 8 will present to the Cramer's at our District meeting at the National Convention in Houston. Frank and Jack Cramer will attend our meeting, thinking they will be present to witness an award for "Pinky". The proclamation they will receive is 14" x 20", framed, and in the lower left hand corner will be an NATA emblem. After talking with Bob Hand we came up with this idea thinking it would be more appreciated than a letter of thanks for their 50 years of service to athletes, athletics, and Athletic Trainers. I hope we will be able to "keep them in the dark" concerning the proclamation until the District 8 meeting.

Since this will be the last newsletter I will send out I want to express a few personal views about my term as your District Director:

It has been an honor and pleasure to have been your District Director for the past two years. I certainly have enjoyed this term. I have had a good deal of assistance from many of you which I appreciated. I feel our district is more unified now, and I trust we will "hang together" to make District 8 even stronger.

The help and service given to me and the district by outgoing secretary Bob Hand has been tremendous. I wish each of you knew the many hours he has spent on your behalf. There is always a man behind the scenes and Bob has been a big, big cog in the operation of District 8 for the past two years. For all the help and advice Bob has given me and also for the service given District 8, a humble thanks for a great job.

Also, Bay Area Chairman, Lindsey McLean, Northwest Area Chairman Dick Vandervoort, and Bob's typist, Mary Bradshaw have done tremendous jobs. To them I offer another humble thank you.

News from the Northwest Area -- Leo Marty reports on April 2nd a meeting was held at the Sheirdan Inn in Seattle. Attending were, Bob Peterson, Leo Marty, Wayne Rasmussen, Dick Vandervoort, Jack Curran, Bill Robertson, ? Farrell, and Bob Officer as well as student trainers, Whitesel and Valletta of the Univ. of Wash. Topics discussed were "Pro Basketball and College Problems", "The Helmet" and "Ice Therapy". The guest speakers were Doctors Callahan and Peterson.

300 coaches in the Seattle area attended a clinic sponsored by the Seattle Ranger Football team. There were 5 of the PCATA members on the program.

Bob Officer, Univ. of Oregon retires in July. The Northwest men presented Bob with a U.S. savings bond from the local trainers.

Wayne Rasmussen, Univ. of Wash. is returning to school to get his P.T. degree. He will remain on the staff and continue to work.

Leo reports a remodeling job is underway at Univ. of Wash. and when it is completed he will roam around a 3500 sq. ft. Training Room.

News from the Bay Area - Lindsay McLean reports that Wally Sande is leaving to take the position of Athletic Trainer and Dept. Chairman of Health Education at Minnesota State College. Henry Stroud, Chico State, is going to Central Missouri State. Mike Singer is working for Ed Millings at West Point and in doing so is fulfilling his military obligation. Dennis Channing has accepted the head job at Idaho Univ. Lew Crowl has received word that he will be a Trainer for the Olympics in Mexico City. Great! Congratulations Lew!!!

The last meeting before convention was held May 21st. As usual, Campbells Medical Supply supplied the shelter as well as the refreshments. What would the Bay Area people do without these friends? It certainly is nice to have such good and generous hosts for meetings. The topic discussed was the probable dues increase. Most of the men favored a gradual increase instead of a big jump all at once. There were 21 men in attendance and 10 indicated they were going to Houston. Lindsay was re-elected Bay Area Chairman. Congratulations!

Report of Southern Section

May 20, 1968 4:00 P.M.

Fullerton Exchange Club, 239 So. Magnolia, Fullerton, Calif.

Bill Chambers called the meeting to order at 4:00 P.M. He explained that the reason for the short notice was because of the Memorial weekend. He also explained the change in date of the Orange County Sports Medicine Clinic from June 1st to June 8th, at the Grand Hotel, 9:00 A.M. He felt that we would have better attendance because of the traffic conditions the 1st, and the 9th would interfere with the National meeting.

Bill introduced Gary Dunn, regional representative of Bike Webb. Gary demonstrated two new products that Bike will market soon - the 8 wrap, and their stretch-conform tape.

Old Business - None

New Business

Executive Secretary - Bill stated Jack Rockwell has agreed to take the job for one year on a part time basis. Salary, time per week, facilities, mailing, secretary, etc., will be discussed in Houston. There has been four applicants - one has withdrawn. It will be necessary to raise the dues to cover this added expense.

There was quite a discussion about associates advancing to active membership, but until the National rules are changed, some will never become active even though they have spent many years in the profession and made it their life's work. These rules will be discussed at Houston.

Nine members from the Southern Section plan to attend the National Convention. There will be a District 8 meeting in the Nile Room, Monday, June 10th, 4:30 P.M.

Dick Vandervoort will be the new District Director.

Flowers were sent this past year when three of our good friends passed away: Bill Farrell, Eddie Wojerki, and Duke Wyne. All of these are in the Hall of Fame. Also, flowers were sent to Billy Schmidt, son of our own Henry Schmidt.

A motion was made (Harmon) and seconded (Donnelly) and passed that Bill Chambers remain our Southern District representative after he turns the Directors job over to Dick Vandervoort.

Southern California received most of the votes to host the National Convention.

A motion was made (Thompson), seconded (Andrade), and carried that we have a sergeant-at-arms at our next meeting.

Bob Fennessy plans to offer a 3 unit extension course in athletic training at Cal. State, L.A. Approximately one-half would be handled by N.D.'s and one-half by athletic trainers. Fee - \$25.

Gene Donnelly won the 1st door prize, a transistor radio, donated by Gary Dunn. James Welsh won the 2nd prize (that is, if Gary can con one of his good cohorts into donating one).

The meeting adjourned at 5:45 P.M.

The Southern Section would like to thank the Fullerton Exchange Club for the use of their facilities for the meeting, and Gary Dunn of Pike, who furnished the buffet lunch, liquid refreshments, and door prize.

Respectfully submitted,

Bob
